HOW WE SERVE

Service has been the backbone of our operations and as such we boasts of a talented team of 100+ well trained professionals to take care of any maintenance needs at our clients' place. PCS is one of the leaders in service terms. We are best known for quality and on-time after sales support. Our Service Professionals are qualified and well trained by Industry Experts. We have six branches with outstanding service coverage for quick turn around time and all these branches are supported with excellent Spare-parts/consumable inventory to take care of un-interrupted service at our clients' place.

We are having a good CRM System to maintain our customer datas to monitor consumables consumption, work-flow, periodic maintenance and reminders for Annual Maintenance Contracts, etc.

OUR ACHIEVEMENTS

Quality as well as Customer Service has been an inseparable part of policies of the Company. PCS has always been customer-oriented and our focus always remains helping them by rendering prompt services on-time. This will save the breakdown time, thus increase in earnings also. Our efforts and hard work put in during these 30 years helped us to deliver superior range of products and excellent services to our clients at the most competitive prices. This has resulted in remaining our place always @ **No. 1** in Service and hence could bag us the "**BEST SERVICE AWARD**" from renowned Global Leaders in Automation Industry for the last four consecutive years.

PCS has also been acclaimed with **10 International Awards** and **40 National Awards** for our **BEST PERFORMANCE** in various categories.

OUR NETWORK

It's a matter of proud that with our rich and extensive experience of 25 years in Office Automation Industry, we could so far successfully installed 40000 plus machines, counting of which is still going on tremendously. This could achieve, beyond any doubt, only because of our strong net-work base. We are spread across **two states – Tamilnadu & Kerala – with six branches, In Tamilnadu (Coimbatore, Tirupur, Erode, Salem, Madurai) and in Kerala (Kochi)** supported with well trained professionals and product specialists for higher-end production colour printers, 200+ dedicated professionals handling various departments like Sales, Service, Stores, Accounts, R & D, HR & A, etc, apart from our having 250 strong Sub-Resellers in South India for our operations.

We store our products in 4 warehouses across the above two states with a good team of logistic support and with our own fleet of vehicles to deliver to the clients across South India.
